

How to Attend Council Meetings Virtually

Due to the current global response to the COVID19 pandemic, council meetings will be held virtually for the time being. In order to support public engagement and attendance, we have worked to provide options for virtual meeting attendance. There are currently two options for attending East McKeesport Borough council meetings.

Option 1 includes the ability to utilize any phone to dial-in to a conference line where you will be able to hear and interact with audio only.
